HAVE YOU EVER LOST YOUR CHILD?
Even For A Minute?
WERE YOU PREPARED?
By midnight tonight, nearly 2200 children will be reported missing in neighborhoods just like yours!

Just \$19.95 Per Year

Be prepared! With the **AMBER Ready Police Emergency Notification System** and 24-Hour Emergency Response Network.

Your child's photograph and vital information are easily available because they are stored right on your cell phone. Only you have access to them because they aren't stored in any database. The AMBER Ready program and support services significantly reduce the amount of time between when a child is determined missing and when an alert is triggered by law enforcement. The information can also be transmitted to a hospital for medical emergencies. If your child goes missing, **every minute counts!**
